Experience

Iconstem 2024

Review:

Uniting innovators worldwide to explore the forefront of STEM. Join us for discussions, collaboration, and groundbreaking discoveries in robotics, renewable energy, AI, aerospace, and more. Ignite your imagination and be part of the revolution in innovation!"

Travel Explore

I created a travel explore website but it hosted for some technical issues, where travel meets career advancement! Explore our destination guides and travel tips for your next adventure, while also accessing career resources like resume templates and interview tips. With us, you can pursue both your wanderlust and professional goals seamlessly.

Landing Page

I am currently working with my landing page soon it will be hosted

Digital Timer

I Showcased precision, creativity, and problem-solving skills Highlights commitment to innovation and excellence in leveraging technology to address real-world needs.

Education

John Dewey Matric Higher Secondary School
